ADJOURNMENT MOTION

Mr. DEPUTY SPEAKER.—Yesterday, I promised to take up the consideration of the Adjournment Motion tabled by Sri Mulka Govinda Reddy. I will read the Adjournment Motion:

> "This House do now stand adjourned to discuss a definite matter of urgent public importance and of recent occurrence, to wit, the failure of Government to take adequate steps during the Dasara Procession at Mysore on the 7th October 1954 resulting in the death of one person and several injured."

I think, the concerned Minister is likely to make a statement in this connection. He is engaged in the other House and so, we shall take this up after he returns. Then I will give my ruling.

Sri Mulka GOVINDA REDDY (Chitaldrug).—As soon as the question hour is over, adjournment motions would be taken up; that is the procedure. I really cannot understand how the Minister adjourned himself from this House when such an important motion was going to come up before this House.

Mr. DEPUTY SPEAKER.—It is in order to facilitate the Hon'ble Member himself, I proposed to take this up after the Minister returned from the other House. Though nothing prevents me from giving my ruling straightaway, I said we shall wait until he comes.

Sri Mulka GOVINDA REDDY.—I appreciate that. I want the Minister to be present here and make his statement.

Mr. DEPUTY SPEAKER.—He will be present here when the motion is going to be discussed.

Sri Mulka GOVINDA REDDY.—My point is that knowing full well that this adjournment motion will be taken up after the question hour, why did the Minister go?

Mr. DEPUTY SPEAKER.—He has gone with my permission.

Sri A. BHEEMAPPA NAIK (Molakalmuru).—His suggestion is, because it is taken up, the Minister should have been present here and make a statement. Whatever it is, when once it is taken up . . . .

Mr. DEPUTY SPEAKER.—He says that adjournment motions should be taken up after the question hour is over. In order to satisfy the condition laid down in the rules, I have read the adjournment motion; otherwise, I would have taken this up when the Minister returned. I have not given my ruling. It satisfies the conditions.

Sri Mulka GOVINDA REDDY.—I am not questioning your taking it up afterwards. I am questioning the propriety of the Minister.

Mr. DEPUTY SPEAKER.—As I told you, he has taken my permission and gone because he has to answer interpellations in the other House. It is all a question of adjustment.

ELECTIONS.

Sri K. HANUMANTHAIYA (Leader of the House).—Sir, I move:

> "That this Assembly do proceed to the election of three members to the Board of Industries under Section 4 of the Mysore State Aid to Industries Act, 1951, in the manner set out in rule 11 of the Mysore State Aid to Industries Rules, 1951."

Mr. SPEAKER.—The question is:

> "That this Assembly do proceed to the election of three members to the Board of Industries under Section 4 of the Mysore State Aid to Industries Act, 1951, in the
